DEATH OF F. M. MORGAN.

Last Friday afternoon F. M. Morgan, one of Trego county's oldest residents passed away after a brief illness. Mr. Morgan came to Trego county when it was first being settled up and has resided here ever since. He owned a good farm ten miles south of town and engaged in farming and stock raising with good success. He sold his farm last spring. This fall he bought a town property and moved his family to Wa-Keeney to reside and was not here many weeks until he died.

Mr. Morgan had a large number of friends both in town and through the county that were very sorry to learn of his death. He was a man as good as his word, honest, upright, and possessing many excellent qualities of character. In his death the community has lost one of its good citizens. He leaves a wife and four children to mourn his loss.

On Sunday afternoon the funeral services were held at the house and conducted by Rev. Sites. The interment took place in the Wa-Keeney cemetery.

THE WORLD and many friends extend sympathy to those bereaved.

At Baptist church in Collyer the usual services will be held on Sunday, November 26th. Union Sunday school at 10 a. m.; preaching at 11 a. m. and 7:30 p. m. You are invited. C. W. C. Erickson, pastor.

Last Friday afternoon Mrs. Charles Steinberger entertained quite a large number of friends at her studio in honor of Mrs. C. H. Mull who is visiting her. Light refreshments were served and all present spent a most delightful afternoon.

The farmers south of Wa-Keeney are requested to meet at the court house on Saturday, December 2, at 1:30 p. m., for the purpose of talking telephone and rural route business. All those interested should attend this meeting.

On the 8th of November Will C. Rhoades was married to Miss Potts who taught school in Trego county not long ago. We have not learned the particulars of this wedding but with friends extend our hearty congratulations.

Don't forget the lecture November 30th at the court house. It promises to be one that will be a treat and you can't afford to miss these good things as you go along.

Dr. Talbott, the Dentist of Ellis, will make regular trips to Wa-Keeney every two weeks. Watch for dates.

Dr. Talbott, the Dentist, here November 30 and December 1st, December 14 and 15th.

Albert Sellers was on the sick list this week.

Is Your Hair Sick?

That's too bad! We had noticed it was looking pretty thin and faded of late, but naturally did not like to speak of it. By the way, Ayer's Hair Vigor is a regular hair grower, a perfect hair restorer. It keeps the scalp clean and healthy.

"I am well acquainted with Ayer's Hair Vigor and I like it very much. I would especially recommend it as an excellent dressing for the hair, keeping it soft and smooth, and preventing the hair from splitting at the ends."—MRS. H. F. FAIRBANKS, Lowell, Mass.

Thomas Schimkowsky has had several visitors in the past few days calling to inquire about his Peerless moldboard steam plowing outfit and he has taken it out in a few cases to show interested parties just how it operated and the work it does. He seems to be more than pleased with it and was heard to remark that any farmer would be satisfied and any one was not satisfied in every particular with it he would put him down as a cowboy, not a farmer.

Attorney Richie, of Salina, passed through Wa-Keeney Thursday morning en route to Hill City to defend the three fellows under arrest charged with the murder of young Wetzel. Those charged with the murder are: Clarence Roberts, aged 22; Charley Keleher, aged 19; and a colored boy by the name of Ross, and the evidence against them is very strong as Roberts has made a confession.

This week Harry Evans purchased a quarter section of land two miles from Sharon Springs, and will make his home there in the future. He came in and subscribed for the World before he left, and we will endeavor to keep him posted thro' its columns of the transpirings in Trego county. We wish him success and happiness in his new home.

The next number of the regular course of entertainments will be a lecture by J. P. Blanton, philosopher and wit. Dr. Blanton is recommended as a first class entertainer and a man who says things worth remembering. At the court house Friday evening, December 8. Get your reserved seat tickets at the drug store.

Remember the lecture November 30th at the court house. The speaker is renowned and will probably tell you some things you have never thought of. Don't fail to attend for it will be an evening most profitably spent.

The ladies of the Methodist Aid society will receive a portion of the profits from the lecture at the court house, November 30th. Go and help the ladies in a good cause.

Please notice that owing to extensive repairs on the Baptist meeting-house which in all probability will not be completed in time for Thanksgiving day, the place of holding the Union Thanksgiving services has been changed. They will be held in the Presbyterian church and not in the Baptist church as formerly announced. Come! This invites you. Remember the place, Presbyterian church; time 10:30 a. m. on Thanksgiving day, November 30th. Come! C. W. C. Erickson, committee on arrangements.
